

Regarding the Software Included in this Firmware

The software included in this firmware is comprised of the software modules developed by both Canon and third parties.

Software Developed by Canon and Free Software

Software developed or created by Canon and accompanying document is protected by copyright law, terms of an international convention and any other governing laws.

This product uses software modules under copyright by third parties and distributed as free software. Some of these software modules are subject to the GNU General Public License v2 (GPL), GNU Lesser General Public License v2.1 (LGPL) or any other license.

Display of License Information of Free Software Modules Included in this Firmware

The license information required to be displayed for the free software modules included with this firmware is saved in the download file. To check the free software module licenses, please refer to the ThirdPartySoftware.pdf file located in the [thirdparty_software] > [LICENSE] folder.

Obtaining Source Codes of Free Software

Some free software modules require the acquisition of the source code in order to distribute the executable form of those software modules. To obtain the source code for the software modules, please refer to the 4K6021Z Instruction Manual.
